SUBJECT

This action is to adopt the Negotiated Property Tax Exchange Joint Resolutions associated with the annexation of new territories into Los Angeles County Sanitation Districts Nos. 14, 15, 21, and the Santa Clarita Valley County Sanitation District (SCV), and the reorganization of existing territories within Reorganizations 1-2000 (detachment from District No. 15 and annexation to District No. 21); 2006-01 (detachment from No. 16 and annexation to District No. 28); and 2007-02 (detachment from District No. 22 and annexation to District No. 15).

IT IS RECOMMENDED THAT YOUR BOARD:

Approve Joint Resolutions between your Board, County Sanitation Districts Nos. 14, 15, 16, 21, 22, 28, and the Santa Clarita Valley County Sanitation District (SCV), and other affected taxing entities based on the negotiated exchange of property tax revenue related to proposed Annexation No. 14-405 in the City of Palmdale, 14-413 in the City of Lancaster, 15-285 in the City of Industry, 21-725 in the City of La Verne,

SCV-1020 in the City of Santa Clarita, 14-412 in unincorporated Antelope Valley, and 21-731 in unincorporated Claremont; and Reorganization Nos. 1-2000 and 2007-02 in the City of West Covina and 2006-01 in the City of La Cañada Flintridge.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The governing bodies of the affected County Sanitation Districts (Districts) and the respective taxing entities have adopted the attached Joint Resolutions based on the negotiated exchange of property tax revenue related to the proposed annexations to the Districts, including Reorganization Nos. 1-2000 (detachment of certain territory from District No. 15 and annexation of said territory to District No. 21, and annexation of new territory to District Nos. 15 and 21); 2006-01 (detachment from District No. 16 and annexation to District No. 28); and 2007-02 (detachment from District No. 22 and annexation to District No. 15, and annexation of new territory to District No. 15).

In order for the Local Agency Formation Commission (LAFCO) for the County of Los Angeles to proceed with the required hearings on the proposed annexations and reorganizations, your Board, on behalf of the County General Fund, Public Library, Consolidated Fire Protection District, Road District No. 5, Flood Control District, Waterworks District No. 40, and Lighting District No. 1687, must also adopt the attached Joint Resolutions.

The proposed annexations and reorganizations involve residential, vacant, and commercial parcels for which there is no other local agency able to provide off-site sewage disposal services. The annexations will allow property owners in the affected territories to obtain off-site sewage disposal services from the Districts by connecting their properties to existing sewer lines. Currently, the only option available to property owners is to construct private septic systems. The reorganizations would amend boundaries which currently divide single properties or parcels, and allow the affected territories to obtain more efficient off-site sewage disposal services. In each annexation and reorganization application submitted to LAFCO, all of the owners of real properties within the affected territories proposed have requested, in writing, that their properties be annexed to the respective County Sanitation District.

FISCAL IMPACT/FINANCING

There is no base transfer of property taxes associated with these annexations. If the annexations are approved, the adopted resolutions will transfer a portion of the annual property tax increment attributable to the annexation areas from the County

and the other affected taxing entities to the affected Districts commencing with Fiscal Year 2012-13 or the fiscal year after the effective date(s) of the annexations, if later.

The territories being annexed are located as follows: Annexation No. 14-405 is within the City of Palmdale, 14-413 is within the City of Lancaster, 15-285 is within the City of Industry, 21-725 is within the City of La Verne, SCV-1020 is within the City of Santa Clarita, 14-412 is within unincorporated Antelope Valley, and 21-731 is within unincorporated Claremont; and Reorganization Nos. 1-2000 and 2007-02 are within the City of West Covina, and 2006-01 is within the City of La Cañada Flintridge.

The territories being annexed and their impact to the County's share of incremental property taxes for future years are reflected in Attachment A. Each of the affected agencies' shares of the annual property tax increment will be adjusted accordingly. Reorganization No. 2007-02 is located in the City of West Covina Citywide Redevelopment Project Area (RPA). As such, County Sanitation District No. 15 will not receive the negotiated share of the annual tax increment in the respective annexation territories until such time that the affected RPAs are terminated.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to Part 3, Division 3, Title 5 of the California Government Code, commencing with Section 56000, the affected Districts adopted resolutions and filed applications with LAFCO to initiate proceedings for annexation and reorganization of territory to the Districts.

Section 99 of the Revenue and Taxation Code (R&T Code) requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service area or service responsibilities will be altered by such change, must negotiate a reallocation of property tax revenue between the affected agencies, and approve and accept such reallocation by resolution. The Districts and the other independent taxing entities have adopted negotiated Joint Resolutions for the subject annexations and reorganizations, as required by Section 99 of the R&T Code. Adoption of the Joint Resolutions by your Board will allow LAFCO to schedule the required public hearings on the proposed annexations and reorganizations. LAFCO will subsequently take action to approve, approve with changes, or disapprove the proposals.

The Joint Resolutions have been approved as to form by County Counsel.

APPROVING AND ACCEPTING NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 14.

“ANNEXATION NO. 405”

WHEREAS, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

WHEREAS, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to County Sanitation District No. 14 entitled *Annexation No. 405*;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues resulting from the annexation of territory to County Sanitation District No. 14 in the annexation entitled *Annexation No. 405* is approved and accepted.

2. For each fiscal year commencing on and after July 1, 2011, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 14 a total of 0.3882101 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 405* as shown on the attached Worksheet.

3. No additional transfer of property tax revenues shall be made from any other taxing agencies to County Sanitation District No. 14 as a result of annexation entitled *Annexation No. 405*.

4. No transfer of property tax increments from properties within a community redevelopment project, which are legally committed to a Community Redevelopment Agency, shall be made during the period that such tax increment is legally committed for repayment of the redevelopment project costs.

5. If at any time after the effective date of this resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

The foregoing resolution was on the 4th day of October, 2011, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.
